PREVENTING ELECTROSTATIC DAMAGE

A discharge of static electricity may damage sensitive components. Always be properly grounded when touching leads or circuitry inside the luminaire. Use a wrist strap connected by a ground cord to the housing. Avoid touching the light sources with bare hands.

The light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person.

Replace protective shield when broken. The luminaire shall only be used complete with its protective shield. Reference number: 1011481
