

NUKAV LED

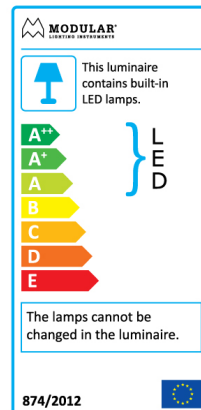

We now offer a wide selection of orientation lighting, which includes Nukav. Nukav means 'edgy', to be taken quite literally. This is also the characteristic feature of this sleek square: it is literally missing a corner. The light is recessed a little deeper in the corner, making the oblique poly carbonate panel illuminate. The fixture can be positioned in any direction for a playful effect. Designed by Couvreur & Devos.

Art. Nr. 12300009

SPECIFICATIONS

Lamp	1x high power LED 230V 4.3W
Gear / Transfo	transfo/gear not required
Weight	0.2kg
Min. Distance	0.1 m
Power supply	230V
IP	IP20
Glow Wire Test	650°
Source lifetime	35000 hrs
CRI	80
Lumen	76 Lm
Efficacy	18 Lm/W
UGR	15
Adjustability	Not Applicable

	WARM WHITE 2700K / CRI 80+
black struc	12300032
white struc	12300009
