

MÉDARD

design in cooperation with
Bleijh

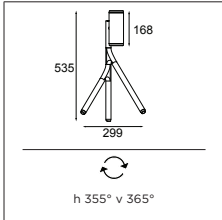

The personification of lighting serendipity

Nature is always the best inspiration for great designs. The insect stick inspired the Dutch design agency Bleijh in the design and creation of Médard. The quirky nature fits the Modular DNA. Médard is high versatile thanks to its orientable head. Great company to have next to your bed or on your desk.

ECO LED

Médard LED retrofit

1X LED GU10 INCL. 5.5W

Icons: 230V, IP20, GWT 960°, 2.75KG, and a dropdown arrow.
