

4tunes³

This workhorse is a portable 2.1 system. The inbuilt subwoofer ensures a warm but powerful sound. The inbuilt battery gives you 8 hours' unlimited power. The 4tunes³ incorporates both a Bluetooth and an NFC function. Connect it up to your smartphone in a flash! Thanks to the snappy grip, your favourite music is always at your fingertips. The easy-to-use control panel allows you to regulate the volume and answer calls with no effort at all. Its deluxe rubber trim makes it the perfect travelling companion.

COLOURS red-black / black / white / green
