

## SEMIH LED TRE DIM GI

Just like in the yin-yang symbol, an S-shaped line divides Semih into two equal, yet opposite, sections: the hard, solid part mounted to the ceiling and the soft, round lamp housing, which can be easily pointed in the direction of specific objects or places. Adding a sense of softness and style to any interior, Semih is exceptionally easy to install, thanks to strong mounting magnets.

Art. Nr. 13180232

### SPECIFICATIONS

|                |                    |
|----------------|--------------------|
