

SLIDE MR16

Slide is a recessed fitting in which the light source is deeply recessed inside the frame. The lamp got its name as its shape literally makes the light slide out. Playing with different colours for the frame and the interior makes it easy to integrate Slide into any room. Available in a square or rectangular version, with twin or single lights. Also available in IP44 (with polycarbonate) for use in the bathroom.

Art. Nr. 10480205

SPECIFICATIONS
