

The image displays the Mitsubishi Electric MU125UH1 split system air conditioner, consisting of an outdoor unit and an indoor unit.

Outdoor Unit: A white, rectangular unit with a large circular fan grille on the front. The Mitsubishi Electric logo is visible on the top right.

Indoor Unit: A white, rectangular unit with a horizontal air outlet grille. A remote control is shown next to it, displaying a temperature of 22°C.

Technical Drawings:

- Top View:** Shows the dimensions of the outdoor unit: 417.5 mm (width), 330 mm (height), 175 mm (depth), and 500 mm (depth). It also indicates the air in/out direction, a drain hole (Ø42), and two 10x21 holes.
- Front View:** Shows the dimensions of the outdoor unit: 840 mm (width), 81 mm (depth), 580 mm (height), and 452 mm (height). It also indicates the air in/out direction.
- Side View:** Shows the dimensions of the outdoor unit: 104.5 mm (width), 99.5 mm (depth), and 195 mm (depth). It also indicates the service panel, liquid refrigerant pipe joint, refrigerant pipe, gas refrigerant pipe joint, and refrigerant pipe.
- Rear View:** Shows the dimensions of the indoor unit: 730 mm (width), 656 mm (width), 47 mm (depth), and 600 mm (height). It also indicates the air in/out direction, a sensor hole, and a drain.
