

FLAT MOON 450 SUSPENSION DOWN LED 1-10V/PUSHDIM GI

Contemporary architectural projects love a minimalist, slim lighting design. Flat moon is a stylish, reduced height fixture (78 mm) that distributes a soft, yet functional light. Office-compliant when combined with one of the prismatic diffusers, it is also a perfect fit for public spaces, hotels, restaurants or retail environments. Exceptionally versatile, Flat moon can be either surface-mounted, recessed or suspended (with two types of suspension kits for either down or up/down lighter) and even directly mounted and connected onto the gear. It comes in three sizes: 450, 650 or 950 mm diameter.

Art. Nr. 13300009

SPECIFICATIONS

| | |
|-----------------|----------------------|
| Lamp | 1x med-power LED 26W |
| Gear / Transfo | LED gear incl. |
| Weight | 4.45kg |
| Min. Distance | 0.1 m |
| Power supply | 230V |
