Wall trunking-base BRS 80x170-9010, steel, 80 mm cover, pure white

Product description

Base of wall duct made of sheet steel to DIN EN 50085-2-1 for cable routing directly on the wall or on wall brackets, for an 80 mm cover for device installation of commercially available switch ranges in combination with front-locking accessory mounting boxes or M45 built-in devices with the aid of front-locking adapter frames, base part with double-row floor perforation for fastening, a retaining lug for hanging a partition wall for separating cables and earthing lugs for additional equipotential bonding by means of earthing cable. Note: Potential equalisation, earthing, sound and fire protection measures must be carried out professionally. Bottom and cover with self-grounding contact surfaces.

Basic data

Item number	11760
Product group	20-Wall installation
Packing unit	4 meters
EAN code	4018475268562
Tariff number	73089059

Technical features

Width	170 mm
Depth	80 mm
Length	2000 mm
Number of covers	1
Covers supplied with the product	no
Cover width 1	80 mm
Symmetric	yes
Construction type rectangular	yes
Material	steel
Halogen free	yes
Surface protection	pre-galvanised and coated
Surface protection Colour	pre-galvanised and coated pure white
Colour	pure white
Colour RAL-number	pure white 9010
